

## HEALTH GROUP

Location: Adaptive Health Care Solutions  
302-270 Charlotte St, Peterborough, ON K9J 2V4

### **Full-time Registered Kinesiologist**

**Peterborough, ON**

**\$1000 Signing Bonus Available!**

Lifemark is seeking a full-time **Registered Kinesiologist** to join our growing team in Peterborough located at Adaptive Health Care Solutions 302-270 Charlotte St, Peterborough.

**Adaptive Health Care Solutions** delivers answers to the health challenges faced by patients, their physicians, employers, and insurers by providing individualized services that restore health and function and prevent injury, illness and disability.

The successful candidate will have experience implementing work hardening programs within an occupational rehabilitation setting and will also have experience within an interdisciplinary team working to collaboratively achieve treatment goals. If you would like a challenging and rewarding role as a valued and integral member of the team, this is the job for you!

#### **In this role you will:**

- Perform biomechanical, fitness, and functional assessments
- Design, implement and supervise graded exercise, work conditioning and/or work hardening programs
- Perform biweekly reassessment of client progress through functional testing
- Record functional and subjective findings in client charts on a regular basis
- Work cooperatively with clients to set and achieve functional goals
- Conduct group orientation and education lectures and regular one-on-one education to clients
- Be a vital team member communicating and working alongside physiotherapists, occupational therapists and a psychotherapist for a truly interdisciplinary team experience
- Complete functional components of reports for initial, progress and discharge
- Ensure return to work plans with client and employer have been made and documented in the client chart

#### **Qualifications:**

- Graduate of University Kinesiology degree program
- Registration with the College of Kinesiologists of Ontario (COKO)

- 2+ years' experience supporting occupational rehabilitation programs **is a strong asset**

**Why choose Lifemark?**

- National reach with a local touch
- Comprehensive rewards package
- Continuous culture of learning
- A career that grows with you – we like to promote from within
- We have fun - it's even one of our core values!
