

April 24th 2014

Department: HFPC-GOLDFARB BREASTFEEDING CLINIC, JEWISH GENERAL HOSPITAL

Position: International Board Certified Lactation Consultant (IBCLC)

Hours: Availability

Herzl-Goldfarb Breastfeeding Clinic is looking for IBCLCs willing to work on an availability basis.

Number of shifts may vary from 0 to 6 days a month.

Schedule may only be available week by week.

Qualifications/Knowledge Required:

- International Board Certified Lactation Consultant (IBCLC) certification with minimum of 2 years community clinical lactation experience. Must maintain certification.
- Bachelor's degree in a health science or maternal child health.
- If the Lactation Consultant is also a member of the "Ordre des infirmières et infirmiers du Québec", she will be able to work within her Nursing scope of practice as needed. (MUST specify Nurse not IBCLC to patient when using this role).
- Knowledge of the Internet to facilitate literature searches, reviews and professional networking
