Subject : ACH for Club House Assessment

Hello everyone,

As you have probably noticed, the ACH for the assessment regarding the ClubHouse works, who was supposed to be taken last may 15th, didn't succeed for technical problems

Our external accountant and Mr Gilles Babin from HG7 are in touch with the Bank to make sure that the ACH is processed shortly.

No precise date is known for now but it should be settle in a couple of days

Rock Côté, President interim for
Executive Committee HG7
