

Luv Kular

Luv Kular is a practicing Kinesiotherapist and Manual Osteopath in the field of injury rehabilitation, prevention, pain management and performance and health optimization. Luv possesses multiple certifications and has a Masters of Science in Kinesiology with a specialization in Orthopaedic Rehabilitation and Athletic Conditioning, and treats a wide spectrum of conditions and patients at his multi-disciplinary clinic to help individuals live healthy, pain and injury-free lifestyles.

Outside of work, Luv enjoys spending time with his family, friends and puppy.

In his role as the AKA's Director of Education, Luv is passionate about seeking out initiatives and learning opportunities to enhance the standards of practice and recognition of Kinesiologists/Kinesiotherapists in Alberta through professional continued education.

Credentials:
