Discounted Certifications

For University of Alberta Kinesiology students

Functional Capacity Evaluations (FCE) and Physical Demands Analysis (PDA) are two of the core competencies of being a Kinesiologist. These assessment skills are highly sought after by employers. The ability to perform these assessments will generate significant revenue for a business. Increase your value to a potential employer, or start your own side hustle. Make your Kin dreams come true.

Prepare for the RKin Exam

The regular price of the PDA certification is: \$395

Get a better job
