

January 20, 2015

Good day,

The Infertility Awareness Association of Canada (IAAC) is celebrating the 10th anniversary of *Creating Families* magazine and we want YOU to join us in commemorating this momentous time in our organization's history! Add the name of your business or practise and join the growing list of people who support infertility patients across Canada.

The *Creating Families* publication has been an important resource for Canadian families who live with infertility, providing a wealth of information and relevant articles. This special 10th anniversary issue will be jam packed with articles featuring interviews with specialists across Canada and a multitude of articles covering a very broad range of topics about how the world of infertility has evolved over the past 10 years in Canada and what we expect to see in the near future.

For as little as \$50 you can have the name of your practise added to a Congratulatory centre spread in this special issue, alongside other counselors, naturopaths, nutritionists, acupuncturists, lawyers, health coaches and more. Given the nature of this unique edition of *Creating Families*, we think you'll agree that this will be money well spent. By supporting our Association, you are also demonstrating your support for all Canadians who struggle with infertility.

This 10th Anniversary Issue will be available in the usual online format and exceptionally, approximately 5,000 print copies will be distributed to all Fertility clinics across Canada, peer-led support groups, alternative medicine practitioners, fertility lawyers, counselors, and more. A full color PDF will also be available online for print.

We hope you will take advantage of our offer. Should you wish to place a full advertisement in the magazine, or to inquire about becoming a member of our Association, please contact our office and we will promptly send you additional information. Please do hesitate to contact us by phone at 1-800-263-2929, or send us an email at info@iaac.ca.

Warm Regards,

Gloria Poirier – Executive Director
Nazampal Jaswal - Administrative Assistant
