

# BEING ON THE BOARD OF STARS, IT'S THE BEST

## With your stars, get privileges when you select sponsorships

For every \$7,500 of sponsorship, after rebate, on the overall activities of the AMVQ en pratique des petits animaux, your company will earn one star.

The more stars you earn, the more privileges you will enjoy when the time comes to choose the location of your booth, the sponsorship of a symposium or a collo-quium, and all other activities of the AMVQ en pratique des petits animaux, including *Le Rapporteur*.

Your stars will also be printed on your badges and on the official documentation sent to veterinarians (annual fees booklet, Official Program, compendium, etc.).

## THE AMVQ IS LOYAL TO ITS STAR PRINCIPLE!

To obtain the best choice of sponsorship at AMVQ, be sure to have the most number of stars. In the event that many partners want the same sponsorship, the partner that has the most stars wins.

This is how the AMVQ thanks its loyal and generous partners.
