Subject: Application for the Director Position

Sainte Brigitte des Saults, July 2, 2024

Dear Sir or Madam,

I am excited to submit my application for the Director position at the QPMA. With significant experience in the industry and a strong commitment to various committees, I am driven by the desire to contribute to the promotion and development of our sector actively.

Since 2018, I have been actively involved in the Next-Generation Committee and the "I Love Fruits and Veggies" Movement, consistently pushing my limits to support our association. Today, I wish to leverage my experience and skills to make an even greater impact within the QPMA.

My professional background at Les Cultures de Chez Nous, where I have served as Director of Operations and Quality for 15 years, has allowed me to develop a deep passion for promoting the consumption of fruits and vegetables.

Joining the Board of Directors at QPMA represents a unique opportunity for me to contribute significantly to our industry. I am confident that my dedication and skills will be valuable assets in guiding our association toward new successes.

Thank you very much for considering my application.

Sincerely,

Annie Gagnon
