Dear Sir or Madam,

I'm currently preparing a higher technician diploma in tourism at the Lycée Fénelon in Brest (Brittany, France). I'm looking for an internship in your company for a two-month training period (to May 11th to 4th July 2020). I'm interested in your company especially because it's a tourism specialist and in my future professional life, I want to work in this field especially in marketing.

I have completed a stage at a tourist office and with this experience, I could share my skill in your company. I like to work in groups, I'm energetic, spontaneous and open-minded. I search an internship with human contact. I can achieve multiple works. I believe that I can make a significant contribution to your organization.

My resume is attached, providing further information on how my career background meets your requirements. I would welcome the opportunity to meet you in an interview.

I look forward to hearing from you

Agathe Daniel
